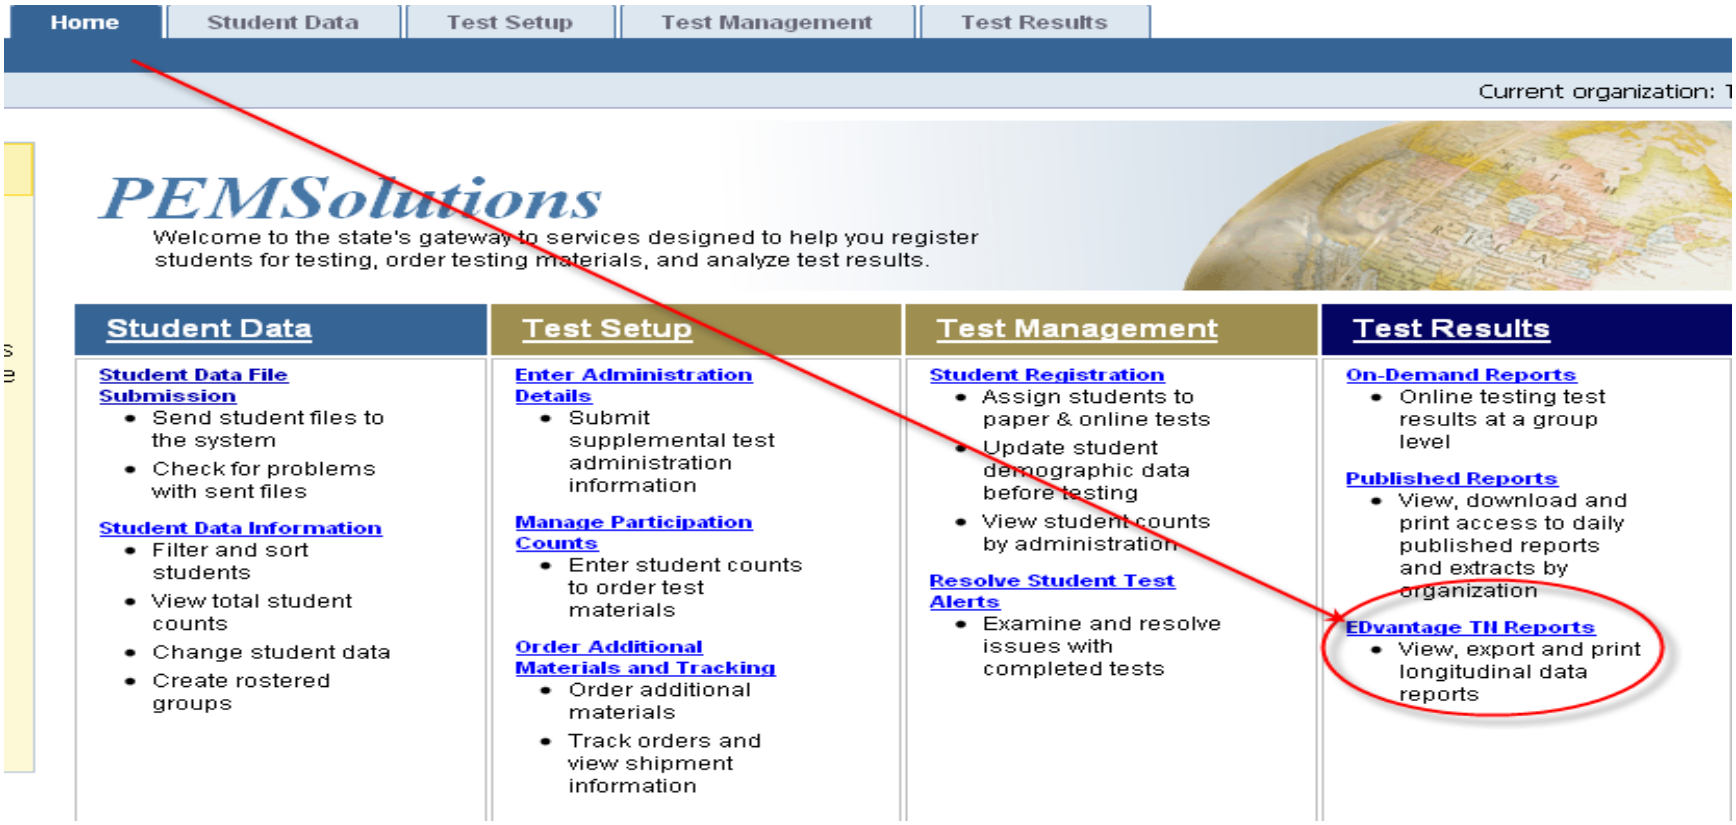
What is EDvantage TN?

- Longitudinal performance reporting.
- Select criteria, view, save, and print longitudinal assessment results.
- Supports classroom planning based on performance indicators you select.

How to Access EDvantage TN Reports

- Access reports via *PearsonAccess.*
- From the home page click *Test Results.*
- Click *EDvantage TN Reports.*

How to Access EDvantage TN Reports



Types of Reports

- EDvantage TN provides access to both data reports and graphs.
  - Your data reports are displayed with blocks:

  - Your graphs are displayed with bars:

EDvantage TN Reports

School: **ANDERSON COUNTY**

Report Name	Report Description
Performance Reports	These reports provide a fast and easy solution for retrieving Spring 2009 to present day longitudinal assessment results. The Score and Performance Analysis tabs allow for viewing system, school and teacher level data by all subgroups/programs, as well as offering graphical representations. The Student Roster and the Assessment History tabs are available to focus on a group of students or one student's assessment history.
Comparison of Achievement	These reports allow for the Spring 2009 to present day data comparison of subgroup, grade, and subject for schools, systems, and the state.
Spring 2007 / Spring 2008 Reporting	These reports provide a fast and easy solution for retrieving Spring 2007 OR Spring 2008 longitudinal assessment results. The Performance Analysis tabs allow for viewing system, school and teacher level data by all subgroups/programs, as well as offering graphical representations. The Student Roster and the Assessment History tabs are available to focus on a group of students or one student's assessment history.
Spring 2007 / Spring 2008 Comparison of Achievement	These reports allow for the Spring 2007 OR Spring 2008 data comparison of subgroup, grade, and subject for schools, systems, and the state.

Performance Reports

- Performance Reports – provide a fast and easy solution for retrieval of the longitudinal assessment results.
- Administrations will be added each year.
- Comparison Reports - Compare your results to other schools in your system or overall state results.

- At-A-Glance initially provides you with all data. (Dash board)
  - From here you can narrow down the criteria you want to view. Example: grade, special program (i.e. Special Education), reporting category.

- Your selected criteria will hold on all other tabs, but can be changed as often as you want.

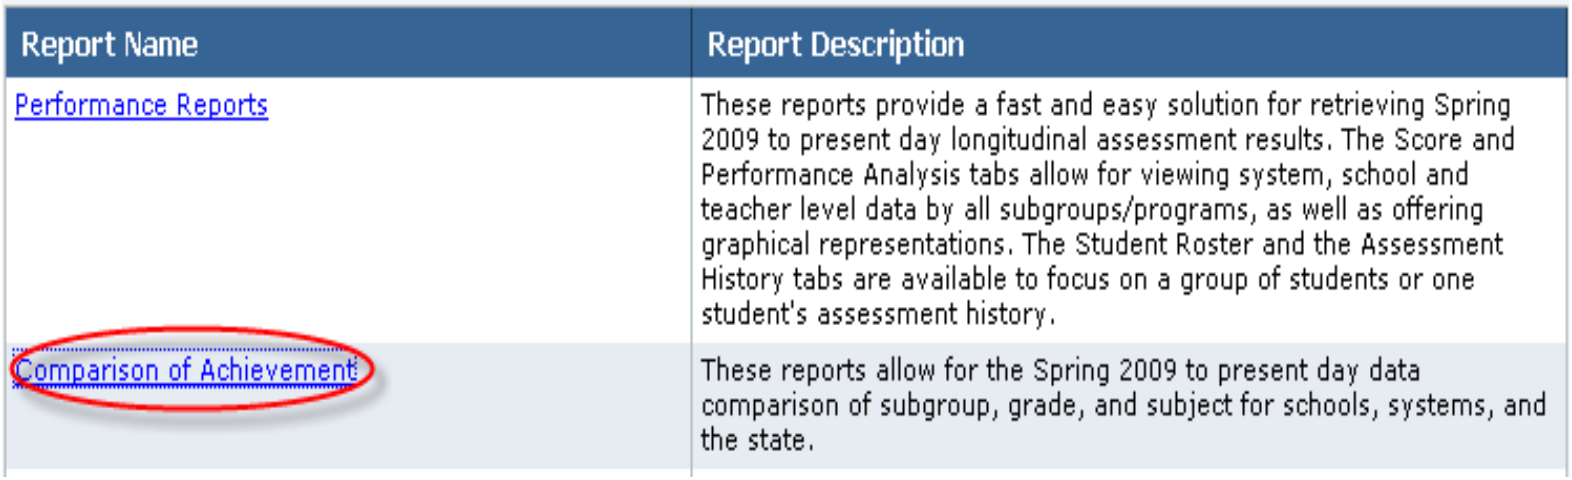
EDvantage TN Comparison Reports

- Allow for the Spring 2009 data comparison of subgroup, grade, and subject for schools, systems, and the state.
- The comparison is based on the same criteria for all three reports:
  - Subgroup Program
  - Subgroup Program Values
  - Number of Students
  - % Advance Proficient
  - % Proficient
  - % Below Proficient
  - % Advance/Proficient (passing)

EDvantage TN Comparison Reports (continued)

- Comparison Reports are accessed from the same page in PearsonAccess in which you selected Performance Reports:



Report Name	Report Description
Performance Reports	These reports provide a fast and easy solution for retrieving Spring 2009 to present day longitudinal assessment results. The Score and Performance Analysis tabs allow for viewing system, school and teacher level data by all subgroups/programs, as well as offering graphical representations. The Student Roster and the Assessment History tabs are available to focus on a group of students or one student's assessment history.
Comparison of Achievement	These reports allow for the Spring 2009 to present day data comparison of subgroup, grade, and subject for schools, systems, and the state.

EDvantage TN Comparison Reports (continued)

- Comparison Reports present reports on three separate tabs:
  - **The School-System-State Report**
    - Compares a selected school to system to state.
  - **The Schools to System Report**
    - Compares selected schools within a system to the overall system.
  - **The System to State Report**
    - Compares your system to overall state performance.
